Description / Action:
Edge flanges on D3875 Floor Protector Plates increased to allow customers to trim, as required, to best fit their aircraft. New FPC Clip Assy (D4820-041) provides additional flexibility in securing the floor protector plate to the aircraft floor in situations with carpets removed. DSI created to provide additional installation option.

Add DSI 9651 Rev A to D206-781-021/-051 kits in stock/in progress.
